

HOW TO USE 'MY PAYMENTS PLUS'

<p>1. When you log into the program, you will see your dashboard screen to the right.</p>	
<p>2. Once you arrive at the screen above, click on the green plus sign beside the after-school activity program fee.</p>	

3. After clicking on the green plus sign above, you will arrive at this screen. Enter the amount that you would like to pay. Then, you will 'save & add to cart'.

The screenshot shows the 'myPayments plus' interface for the Muscogee County School District. A modal titled 'BDMA After-School Enrichment Program Fees' is open, allowing a user to add a fee. The modal contains a table with the following data:

Student	Price
Jackson	\$0.00

Below the table, it states: 'This activity allows you to change the total price'. A text input field shows '200.00' with a dollar sign icon. A 'Save & add to cart' button is at the bottom of the modal. The background shows a 'Fees' section with a 'Refresh' button and a message 'Currently No Fees Available'. The left sidebar includes links for Dashboard, My Account, Fees, and Events & Activities. The top right corner says 'Welcome, Jamie'.

4. Now, you will go to the top right-hand corner of the screen and checkout. When you click on checkout, you will go to the bottom of the screen to 'proceed to checkout'. You will checkout using a credit card from there.
